

i-Go™

Model Number	SC20
Weight Capacity	275 lbs.
Turning Radius	45.9"
Overall Width ³	20.3"
Overall Length ³	44"
Maximum Speed ²	Up to 4 mph
Ground Clearance ³	4.2" at mid-frame
Front Wheels	8" hub motor
Rear Wheels	9" perforated
Braking System	Regenerative and electromechanical
Suspension Type	N/A
Seat Size	16"x16"
Seat-to-Ground	22.25"
Seat-to-Deck	14.6"
Per Charge Range ^{2,5}	Up to 7 miles at 275 lbs. Up to 9.3 miles at 220 lbs.
Standard Electronics	Brushless motor
Component Weights ⁶	Base (with seat): 60.6 lbs. Batteries 4.8 lbs. Heaviest piece 32.8 lbs. (rear base with seat back)
Battery Requirements ⁴	25.2v 9.6 AH Lithium-ion
Battery Charger	3.5 amp lithium-ion
Warranty	3 years on frame; 2 years on electronics (does not include charger); 1 year on motor, battery and charger

- 1 This product is not a medical device and is not intended to assist, treat, diagnose, or alleviate any medical condition or disability.
- 2 Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tire condition. These specifications can be subject to a variance of (+/- 10%).
- 3 Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or - 3%).
- 4 Lithium-ion required.
- 5 Results derived from theoretical calculation based on battery specifications and drive system performance. Test conducted at maximum weight capacity.
- 6 Battery weight may vary based on manufacturer.

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3%.
